

Ski Riding from the Top of Mount Kazbegi

1st Day

Meeting at the airport with the group's leader, transfer to hotel.

Overnight in Tbilisi.

2nd Day – distance by vehicle 155 KM.

In the morning you will call into the supermarket to buy all necessary products for the summit. Then you drive to Stepantsminda village to the foot of the mountain Kazbegi. In Stepantsminda a warm meeting into the local family awaits you. Here you stay for the night.

3rd Day – ski riding distance 6 KM.

Early in the morning, accompanied by experienced instructors (one per e three skiers) you start to climb up on skis to the summit of Kazbegi (5033 m). On the way to the first camp - Sabertse, you stop at the Church Gergeti of the Holy Trinity, that's located at the height of 2170 meters. After a brief stop, you continue the path up to the camp. You will spend the night in tents at an altitude of 3150 meters. Elevation 1410 meters. Distance more than 6 km. Riding time 6-7 hours.

4th Day - ski riding distance 6 KM.

Again early in the morning you will continue ski riding up to the summit. Today you will pass saddleback and at the afternoon will arrive at the camp, "Meteo" on the height of 3653 meters. Vertical drop 503 m Distance more than 6 km. Riding time more than 6 hours.

5th Day - ski riding distance 4 KM.

Today, if weather permits, you ride again up of conquest the Kazbegi. At 3 o'clock in the morning you come out to ski to the summit. After you reach the top of the Mount you ski down to the Camp "Meteo". Vertical drop 1380 meters. Distance about 4 km. journey time 12-13 hours.

Attention! In case of bad weather, you have in reserve for another day to climb up. However, in the case of the conquest of the height on this you will have one extra day, which you can use for skiing in Gudauri on powder snow. read the details of the extra day at the end of the tour description.

6th Day

On this day we have one more attempt to conquer the summit. The scenario for this day is the same as on the previous day. See 5th Day.

7th Day

Today you begin the descent from the camp "Meteo" to Stepantsminda. Your way is to ski on powder snow on the slopes of Mt Kazbegi surrounded with the amazing nature. In Stepantsminda the warm dinner awaits you in the same family. In the evening you return to Tbilisi.

8th Day

This day we always reserve to balance the difficult weather conditions of the mountains of the northern Caucasus. On this day, you can either walk in Tbilisi alone, or select some additional tours that we offer to you in advance. In the evening you're invited for a farewell dinner. Late in the night our bus will take you to the airport.

The Extra Day.

If you remain free day after climbing up to the top of Kazbegi (see 5th Day). You drive back to Gudauri the previous evening. On the morning of this day (6 day) you go for ski riding to the mountain "Sadzele" (3307 m). Vertical drop 1110 meters. Distance more than 7km. Journey time 5-6 hours.
